

12 January 1990

Ronald Andersen, Ph.D.
Professor and Director
Center for Health Administration Studies
Graduate School of Business
University of Chicago
1101 East 58th Street
Chicago, Illinois 60637

Dear Ron:

As requested, enclosed are my c.v and a copy of the paper I will presenting at the CHAS Workshop on February 8th.

Thanks for the opportunity to present this work at CHAS. I'll look forward to seeing you in February.

With best regards,

Janet D. Perloff, Ph.D.
Visiting Research Associate Professor
University Center for Policy Research
SUNY-Albany

Birthdate: 15 February 1954

Birthplace: New York, New York

EDUCATION

- 1975 B.A., Kirkland College, Clinton, New York
Senior Thesis: The Evolution of Nursing Homes in the United States
- 1977 A.M. (Health Policy, Planning, and Research)
School of Social Service Administration
University of Chicago, Chicago, Illinois
- 1981 Ph.D. (Health Policy, Planning, and Research)
School of Social Service Administration
University of Chicago, Chicago, Illinois
Dissertation: An Analysis of Factors Affecting Physician Participation in State Medicaid Programs

PROFESSIONAL EXPERIENCE

September 1989 - present

Visiting Research Associate Professor, University Center for Policy Research, The University at Albany, State University of New York

Associate Professor, Department of Health Policy and Management, School of Public Health, The University at Albany, State University of New York and New York State Department of Health

Visiting Associate Professor, Community Health Sciences, School of Public Health, University of Illinois at Chicago

Develop and teach graduate and professional courses in family and community health and survey research methods. Develop research grant proposals. Design and conduct health care policy analyses and health services research.

January 1986 - September 1989

Associate Professor, Health Services Research and Development, Department of Medical Education, College of Medicine, University of Illinois at Chicago

Adjunct Associate Professor, Maternal and Child Health, Community Health Sciences, School of Public Health, University of Illinois at Chicago

Developed and taught graduate and professional courses in health care organization, financing, and delivery. Developed research grant proposals. Designed and conducted health care policy analyses and health services research. Participated in various university and departmental committees.

June 1984 - December 1985

Health Services Research Coordinator and Senior Research Associate, Veterans Administration Medical District 17 Health Services Research and Development Field Program, Hines V.A. Hospital, Hines, Illinois and West Side V.A. Hospital, Chicago, Illinois.

Designed and conducted health services research related to health status, use, and costs of V.A. care. Developed grant proposals, supervised staff.

October 1983 - June 1984

Director, Department of Health Services Research, American Academy of Pediatrics, Evanston, Illinois.

Directed a program of health services and policy research related to child health, the health services financing and delivery system, and pediatrics. Supervised 19-member research and support staff and directed research, financial, and administrative activities related to all Academy and externally-funded research projects. Provided staff support to Executive Board.

July 1981 - September 1983

Director, Division of Health Services Research, Department of Health Systems Research and Development, American Academy of Pediatrics, Evanston, Illinois.

Conducted research design, data collection, and statistical analysis. Developed research funding proposals and reports, constructed and managed budgets and accountability systems, supervised research and support staff.

October 1978 - June 1981

Research Associate, Department of Health Systems Research and Development, American Academy of Pediatrics, Evanston, Illinois.

Project Director, "Variations by State in Physician Participation in Medicaid Programs," funded by the Health Care Financing Administration, Stephen M. Davidson, Principal Investigator.

October 1976 - March 1978

Research Assistant, "National Health Insurance and the Elderly," funded by the Administration on Aging, Theodore Marmor and Stephen M. Davidson, Co-Principal Investigators, School of Social Service Administration, University of Chicago.

OTHER PROFESSIONAL EXPERIENCE

Coordinated local VA doctoral-level training program in health services research. Activities included collaboration in preparation of initial training grant proposal and renewal applications, review of applications for trainee support, and supervision of doctoral-level trainees.

Provided research staff support to national committees of the American Academy of Pediatrics in areas such as health care financing, physician manpower, and childhood injury prevention. Activities included developing institutional data bases, developing a departmental working paper series, and presenting research findings to the leadership of the organization.

Developed budgeting, management, and accountability systems for American Academy of Pediatrics Department of Research during period of rapid departmental growth. These systems applied to internally and externally-funded research activities, as well as to research subcontracts with outside organizations.

Administered all financial and proposal review procedures for the American Academy of Pediatrics Memorial and Endowment Fund, a research grant program making 6 to 10 small grant awards per year.

RESEARCH SUPPORT

Funded Projects

- Co-Principal Investigator, Maternal and Child Health In Chicago: A Community-Based Approach to Monitoring the Impact of Local Health Care System Changes, Chicago Community Trust, April 1987 through December 1990, \$371,000.
- Co-Investigator, Discharge Planning with Older Veterans: An Information Synthesis, U.S. Veterans Administration, Health Services Research and Development, July 1987 through June 1988, \$53,607.
- Director, Intergovernmental Personnel Assignment Agreements for research and development consultation by faculty of UIC Center for Educational Development to Veterans Administration, Medical District 17 Health Services Research and Development Field Program, Hines, Illinois, January 1986 - September 1987, \$27,264.
- Principal Investigator, Medical and Social Correlates of Rehospitalization, University of Illinois at Chicago, Campus Research Board, July 1986 to June 1987, \$6,000.
- Principal Investigator, Discharged Veterans' Access to Health Care: An Evaluation, U.S. Veterans Administration, Health Services Research and Development, May 1985 to October 1985, \$8,345.
- Principal Investigator, Trends in Pediatrician Participation in State Medicaid Programs, U.S. Health Care Financing Administration, March 1983 to March 1985, \$232,730.
- Principal Investigator, Evaluation of the Injury Prevention Program, U.S., Office of Maternal and Child Health, June 1983 to December 1984, \$10,578.
- Principal Investigator, Pediatric Prevention of the New Morbidity in Young Children, U.S., Office of Maternal and Child Health, July 1983 to March 1985, \$70,157.

Proposals in Progress

- Consequences of Medicaid Expansion for the Access of Urban Children to Health Care: The Case of Pediatric Primary Care in Chicago (with James W. Fossett)
- The Infrastructure of Medicaid-Funded Pediatric Primary Care in New York State (with James W. Fossett)

ACADEMIC APPOINTMENTS (concurrent with above)

September 1980 to September 1989

Visiting Scholar, Center for Health Services and Policy Research, Northwestern University

July 1982 to January 1986

Lecturer, Community Health Sciences, School of Public Health, University of Illinois at Chicago

May 1984

Lecturer, Health Care Policy, School of Social Service Administration, University of Chicago

December 1983

Lecturer, Health Care Policy, School of Social Service Administration, University of Chicago

TEACHING EXPERIENCE

Introduction to Family and Community Health
Social Policy

Maternal and Child Health Policy

Health Care Finance, Organization, and Delivery

Organizational, Professional, and Policy Context of Health Professions (with B. Barzansky)

Alternative Health Care Delivery Systems: Implications for the Health Professions

Perspectives on Clinical Decisionmaking (with A. Elstein, M. Lappe, and K. Vaux)

UNIVERSITY SERVICE

University of Illinois at Chicago, Department of Medical Education

Full Member, Graduate College

Vice Chancellor for Health Services, Task Force on Indigent Care, 1988-89

UNIVERSITY SERVICE (continued)

UIC Faculty Senate, 1988-1989
Search Committee for Chairperson, Department of Medical
Education, 1988-1989
Executive Committee, 1986-1988
Promotions and Tenure Committee, 1986-1987, 1987-1988,
1988-89
Research Policy Committee, 1986-88
MHPE Core Curriculum Review Subcommittee, 1987-88

University of Chicago, School of Social Service
Administration

Human Subjects Review Committee, 1984-1989

OTHER PROFESSIONAL ACTIVITIES

Peer review of manuscripts:

Health Care Financing Review
Medical Care
The Milbank Quarterly
Journal of Health Politics, Policy and Law
Social Service Review
The John Hopkins University Press

Professional organization memberships:

American Public Health Association
Member, Maternal and Child Health Section
Member, Medical Care Section
Member, Social Work Section
Association for Health Services Research
Chicago Association for the Study of Health Behavior
Vice President for Program Planning, 1986 - 1988
Midwest Sociological Society
Sigma Xi, Full Member (by election)
Society for Research Administrators, 1981-1985
Society for the Study of Social Problems

COMMUNITY SERVICE

Healthy Mothers and Babies Coalition

Member, Committee on Medicaid and Maternal and Child
Health (1987-1989)

COMMUNITY SERVICE (continued)

United Way of Chicago

Vice Chairperson, Family Life Needs Assessment
Technical Committee (January-June 1989)

Member, Environmental Analysis Committee (1987-1988)

Contributor to The Changing Face of Chicago's Human Need
Environment, Report of the Environmental Analysis
Committee to the United Way of Chicago Planning
Committee, June 1988.

Mayor's Advisory Committee on Infant Mortality, City of
Chicago

Member (1988-1989)

Member, Program Evaluation Task Force (1988-1989)

DECEMBER 1989
